Dear Parents

As the Bharatam team rises up to pray for the well being of your family, it matters and concerns that our students and your children stay ever cheerful, healthy and happy. The previous year i.e. 2020 has been a year of weird happenings but still GOD has been kind. As we come to a closure and new session ushers in from April 5, 2021, we mean to thank you for having stood by the school in such odd hours. Though doubts still work on our mind, yet positivity, hope and strength stand as our backbone and we are sure to fight the challenges upfront with complete grit and guts. With the coming of new faces on the staff, we have chalked out plans to ensure a daily growth of each individual child. We realize that in this competitive world, slowing down will further slow down the child, thus we mean to speed up. Whether classes are conducted online or offline, you can never stay away from imparting education to your child/children because in this race of life, every year utilized or wasted, will make all the difference to your child's life. No doubt, we have all the desired facilities like Kids' Fantasy World, Kids' Creative World, Swimming Pool, Skating Rink, Evening Sports but nothing can outsmart a personal touch or individual care and we challenge no one can surpass us in that.

To sum up, stay more than sure that your child is in the safest hands and at any moment of time, you are welcome to contact us if anywhere, any requirement/amendment is desired. We, as a team, will always be at your beck and call and that is what makes Bharatam a School hundred times different from others.

Wishing you a Covid free session ahead and a life of complete Peace.

Note: Please find important directions for your day to day convenience enclosed herewith.

Thanks & Regards
Team BWS

INSTRUCTIONS:

- 1. The first term of session 2021-22 will begin on April 5, 2021 i.e. Monday.**

As you are aware that the schools so far have not been opened owing to the directions by the Govt., as such online classes will begin from April 5, 2021 as per the schedule which will be sent online on Saturday i.e. April 3, 2021 by the respective Class Teacher.

- 2.** Please be doubly sure to take online classes very seriously so that later on your child does not lag behind and keeps abreast.
- 3.** You are requested to keep yourself free on Monday as at 10:00 am sharp, the concerned teacher will address you giving you the details about the daily schedule.

Once again, welcome back! Let's make it another happening year at Bharatam World School, together!

Thanking you and wishing our students all the best all along the way.
