CIRCULAR

15.04.2021

Dear Parents

We hope you all are safe and doing well in these unprecedented times. We understand the uncertainty and may be even the anxiety of classes being disrupted. But, as always, we are committed to doing our best for our students. Our teachers have been putting in their best in preparing notes and reference material for students which have been uploaded online on the mobile app on a regular basis. These notes, assignments and reference material are keeping our students usefully engaged.

As regards ONLINE LIVE CLASSES, we are using a secure and user-friendly online platform with NEXT EDUCATION. It is one of the finest online platforms. You must download NLP (Next Learning Platform) App from the Playstore. The Login Id and Password will be shared separately.

We seek the cooperation of the parents to monitor the conduct and behaviour of their child during the classes and ensure that all rules and instructions given by the teachers are followed diligently and consistently. We shall have to remove access of online classes for any student who is found to show any kind of disruptive or inappropriate behaviour.

Thanks & Regards

Team BWS
